Yes No

Peninsula Federal Credit Union
Authentication successful

Peninsula Federal Credit Union has launched a new way to verify you, called MemberPass. What is MemberPass? MemberPass is a third-party authentication integration that allows credit union staff to validate a member's identity using their cell phone. When you call Peninsula Federal Credit Union, before one of our staff can help you, we need to verify you. Using MemberPass, we need to verify your phone number and we can text you to authenticate your identity!

Financial Reality Fairs

PFCU and local credit unions hosted Financial Reality Fairs at Gladstone High School, Bark River-Harris School, and Escanaba High School for students to take a "Bite of Reality". They learned about budgeting and how to live within the means of their potential future careers! We love being able to help financially educate our local students!

Trust & Will

PFCU is excited to announce our partnership with Trust & Will and Love My Credit Union Rewards to offer an exclusive benefit to our members. You can now create your estate plan with a 20% discount on any plan from Trust & Will.
